

# Asia Pacific Practitioners Forum

March 21 – 22, 2024 (Online)  
12pm-3:30pm (UTC+9)

The Asia Pacific Practitioners Forum is an exclusive opportunity for practitioners to engage directly with IBM Quantum developers and partner experts.

Together with our partners in the Asia Pacific region, we present:

 IBM Quantum & Qiskit Updates	 Utility-Scale Experiment Demos
 Advanced Techniques Deep Dives	 Asia Pacific Partners Highlights

Don't miss out on this valuable chance to stay up-to-date with the latest techniques in making the best use of our quantum computers!
